### **Statistics for your church:**

**-Only 23 states in the U.S. reported abortion data through 2022 (Charlotte Lozier Institute)**

**-Resident abortions in Ga. increased last year 1.2% (2022).**

**-Abortion pill related ER visits have increased 500% over the last decade and a half (Charlotte Lozier Institute, 2022).**

**-Planned Parenthood's taxpayer funding hit \$670.4 million, almost 1.9 million dollars a day in its annual report. This makes up 35% of overall revenue (Charlotte Lozier Institute 2021-2022).**

### **Baby Bottle Boomerang(BBB) Information:**

Sunday, May 12th, 2024 is the BBB kick-off for Mother's Day. Bottles may be picked up from PRC. PRC provides the baby bottles. We ask that one bottle per family be distributed. We encourage each family to fill the bottles with checks, cash, or coins and return them to your church three weeks afterwards (week of June 2nd).
